

JARVIS

BRAND GUIDELINES

Brand Identity

Our brand identity is deeply rooted in the principles of modern innovation, timeless sophistication, and a relentless pursuit of excellence. Every element we create, from the clean lines of our logo to the carefully curated color palette, has been intentionally designed to reflect not only our forward-thinking vision but also the core values that define who we are.

We believe that design is more than just aesthetics—it is a powerful expression of our commitment to quality, creativity, and progress.

The word "JARVIS" is displayed in a bold, black, sans-serif typeface. The letters are thick and blocky, with a modern, slightly geometric feel. The 'J' and 'S' have distinctive shapes, with the 'S' being particularly wide and flat. The text is centered horizontally against a solid, vibrant yellow background.

Logo Usage

The word "JARVIS" is written in a bold, black, sans-serif font. It is centered horizontally and vertically within a solid yellow rectangular background.

JARVIS

The word "JARVIS" is written in a bold, yellow, sans-serif font. It is centered horizontally and vertically within a solid black rectangular background.

Color Palette

Primary

Secondary

Do's

Use Official Color Palette

Ensure you use the brand's specified colors in all assets.

Typography Consistency

Use the specified fonts and styles in the brand guidelines for all written communications.

Follow Imagery Style

Use photography and illustrations that match the brand's aesthetic.

Consistent Messaging

Ensure the message delivered is aligned with our brand values.

Don'ts

Modify the Logo

Do not alter, distort, or change the logo colors without permission.

Misuse Design Elements

Avoid using the brand's graphic elements in a way that is not consistent with the guidelines.

Inappropriate Color Usage

Do not use colors that are not included in the brand's official palette for brand representation.

Conflicting Messages

Avoid communications that contradict or obscure our brand message.

Arimo
(Paragraph)

Typography is the visual component of written language. The Arimo family is a modern sans-serif typeface designed for clarity and readability. It works well in both headings and paragraphs, offering a clean and professional look across various screen sizes and printed materials. Designed with versatility in mind, it balances style and functionality.

Legal Guidelines

01

Copyright

All materials produced related to our brand are protected by copyright. Always ensure to obtain permission before using third-party owned materials.

02

Trademark

Logos, slogans, and other brand elements have been registered as trademarks. The use of the ™ or ® symbols must always follow established rules.

03

Licensing

Some assets may be used under specific licenses. Ensure to follow all terms of these licenses, including usage, attribution, and restrictions.

04

Unauthorized Use

Avoid unauthorized or potentially brand-damaging use of our brand assets.

05

Objections and Violations

Immediately report any objections or violations against our brand to our legal department.

06

Marketing Material Approval

All marketing materials must be approved by the legal department before distribution to ensure compliance with applicable guidelines and legal regulations.

Brand Application Examples

Brand Applications" refer to the various ways a brand's identity, including its logo, colors, typography, and overall design style, is applied across different mediums and products. It encompasses how the brand's visual and communication elements are consistently and effectively used to maintain brand identity and recognition. Here are some examples of brand applications.
